14. [REDACTED] In response to Miss Waskewich's (State Department) call to Mr. Warner, I contacted Miss Hamilton, in the office of Senator Stuart Symington, concerning the request made by the Senator's office for biographic information on Francis Gary Powers and a picture of the U-2. Miss Hamilton indicated that their request was from a constituent from a small town in Missouri and they would appreciate whatever information could be furnished. Advised Miss Hamilton that I would look into the matter for her and be back in touch on Thursday or Friday.

Mr. Lee's office called re: attached

Was in annual INR report which came out in January. Mr. Lee knows of no distribution. Since it is unclassified ~~something~~ it is something that could be gotten. State will provide one to HCUA - per request of HCUA - as I understood it.
